

ICDVRAT 2024

Publication Agreement and Assignment of Copyright

Agreement: We are pleased to have the privilege of publishing your article (extended abstract) in the forthcoming 15th International Conference on Disability, Virtual Reality and Associated Technologies 2024 (“ICDVRAT”). By submission of your abstract, you hereby grant to the ICDVRAT all your right, title, and interest including copyright in and to the abstract as it appears in the Proceedings of the ICDVRAT (“the Abstract”). Management of the copyright for all abstracts will be maintained by ICDVRAT.

Rights Reserved by Author(s): You hereby retain and reserve for yourself a non-exclusive license: 1.) to photocopy the Abstract for your use in your own teaching activities; and 2.) to publish the Abstract, or permit it to be published, as part of any book you may write, or in any anthology of which you are an editor, in which your Abstract is included or which expands or elaborates on the Abstract, unless the anthology is drawn primarily from ICDVRAT. As a condition of reserving this right, you agree that ICDVRAT will be given first publication credit, and proper copyright notice will be displayed on the work (both on the work as a whole and, where applicable, on the Article as well) whenever such publication occurs.

Rights of ICDVRAT: This agreement means that ICDVRAT will have the following exclusive rights among others: 1.) to license abstracts, quotations, extracts, reprints and/or translations of the work for publication; 2.) to license reprints of the Abstract to third persons for educational photocopying; 3.) to license others to create abstracts of the Abstract; 4.) to license secondary publishers to reproduce the Abstract in print, microform, or any computer readable form including electronic on-line databases. This includes licensing the Abstract for inclusion in an anthology from ICDVRAT 2024. The ICDVRAT 2024 Conference Proceedings will be published under an open access license (freely available on the conference website), by the local publisher: *National Institute of Mental Health, Klecany, Czech Republic*.

Warranties: You warrant that the Abstract has not been published before in any form, that you have made no license or other transfer to anyone with respect to your copyright in it, and that you are its sole author(s), and generally that you have the right to make the grants you make to ICDVRAT. Any exceptions are to be noted below. You also warrant that the Abstract does not libel anyone, invade anyone’s privacy, infringe anyone’s copyright, or otherwise violate any statutory or common law right of anyone. You agree to indemnify ICDVRAT against any claim or action alleging facts which, if true, constitute a breach of any of the foregoing warranties.

Concerning U.S. Government Employees: Some of the foregoing grants and warranties will not apply if the Abstract was written by U.S. Government employees acting within the scope of their employment. U.S. Government employees may reserve the right to reproduce the Abstract for U.S. Government purposes by making a request at the time of submission of the Abstract. If no copyright can be asserted in this work and it should be considered in the public domain, the ICDVRAT should be notified at the time of submission of the Abstract.

In Conclusion: This is the entire agreement between you and ICDVRAT and it may only be modified in writing. It will bind and benefit our respective successors in interest, including assignees, and our licenses, provided that you may not assign this agreement without our prior written consent. It will terminate if we do not publish your article in ICDVRAT 2024 book of abstracts (Conference proceedings).
